

# Somerset County 4-H Fair

## August 9, 10 & 11, 2017

The 4-H Youth Development Program uses a learn-by-doing approach to enable youth to develop the knowledge, attitudes and skills they need to become competent, caring and contributing citizens of the world. This is accomplished by using the knowledge and resources of caring adults.

- Over 800 members and their families participate along with hundreds of adult volunteers.
- Every year the Somerset County 4-H Fair has approximately 60,000 visitors.
- There are more than 75 clubs for youth in grades K-13 (mechanical sciences, animal sciences, arts and culture, and community service).
