

Attention all 4-H Clubs:

The 3rd Annual **4-H Spring Carnival** will be held on **Saturday April 21, 2018 from 10AM - 2PM** at the Ted Blum 4-H Center!

This carnival - which will consist of activities that are planned and run by 4-H youth - is intended to be a fun event for the community in which all 4-H members can get involved, promote 4-H, and help support our organization. All proceeds will go to the Somerset County 4-H Association in support of the 4-H Youth Development Program.

Here is some information each club should know:

- Club members should plan a carnival game/activity for young children (preschool/elementary age).
- Activities can range from a simple beanbag toss, face painting, or community service. Be creative!
- Clubs should supply all necessary materials for the activity for the duration of the event.
- The theme of the booth does not have to relate to the club's project area (but it can).
- Clubs do not need to provide prizes. Prizes will be supplied, and there will be a special booth for this.
- The activity may be staffed by a few, and in shifts, to accommodate members' availability.
- Allow time for set up/take down. This may include a canopy, table, sign, booth, etc.
- The event will be held outdoors. Rain or Shine. Check 4-H website for cancellation.
- Most likely, each club will have an area of approx. 2 parking spaces (on pavement or grass).
- Wristbands will be sold which will include admission to all the activities and prizes.
- Food, and possibly 4-H t-shirts, will be for sale.
- There will be a 4-H Info Table. Feel free to provide info about your club at your booth.

Volunteers (PARENTS, LEADERS, TEENS) are needed for parking, food sales, admissions, etc.
