- Family Night Rescheduled

Presentation Workshop – TONIGHT!

Wednesday, Feb. 6 @ 7-8:15

Learn fun tips and strategies to make your presentation worthy of a blue ribbon! What are the judges watching? What does your audience want to hear? Find out how to make your presentation entertaining as well as educational. It's not as daunting as it sounds! Open to all standard 4-H members.

Lucky Clover Tricky Tray is in Need of Donations

Please drop off your gifts at the 4-H Center by Feb. 20

Donations can be in the form of cash, gift cards; individual gifts such as small appliances, jewelry, tools or collectibles; or themed baskets. All donors will be listed in the program. All clubs are encouraged to participate to help the center, which we all use for FREE.

It is Time to Register for Presentations

Log onto nj.4honline.com to register by March 8

Click the [CONTINUE TO FAMILY TAB](#), then scroll to the bottom and register a member for an event. Hit the 2019 Presentations and fill out the registration. Click all the way through the fees (there is no charge) until you hit the [CONFIRM ORDER TAB](#). Once you do that you will be registered for presentations. You can print the registration page for your records and you will receive a confirmation email.

Tufts University Summer Program for Aspiring Veterinarians

[Adventures in Veterinary Medicine](#) (AVM) is a fun and engaging career exploration program for middle and high school students who are interested in pursuing a veterinary career. We invite 4-H youth to apply to AVM and discover if this exciting career is right for them!

AVM attendees will explore the wide variety of opportunities available within veterinary medicine and see first-hand what attending veterinary school is *really* like. Sessions include lectures by Tufts faculty and vet students, interesting laboratories, demonstrations, and hands-on activities with animals.

Applications for summer 2019 are now available! For more information on the program, including dates, eligibility, and tuition please [visit the AVM website](#) or contact us at AVM@tufts.edu.

Healthy Living Project Opportunity for Middle School Students

Registration and project idea entry deadline is March 8th

Use your talents to create a campaign about the importance of building healthy bones, brains and habits. Challenge is open to middle-schoolers in NJ and NY who may compete individually or as a team in this fantastic learning and leadership activity.

Selected participants will present to judges, peers, and public on May 5th, 2019 at the Liberty Science Center. Over 100 entries will be selected and over \$10,000 in cash prizes will be awarded. Visit <https://www.cabotcheese.coop/power-up-your-body> for program details and to register. Use Jennifer Korneski, korneski@co.somerset.nj.us as your program leader and Somerset County 4-H as your organization.

Somerville's St. Patrick's Day Parade

All 4-H clubs are encouraged to participate in the St Patrick's Day Parade in Somerville on March 10th at 1:30 pm. Visit <http://somervillesaintpatricksparade.com> and click "March with Us" to register. Hard copies of the registration form are also available at the office.

4-H Science-sational Day

April 6

Registration is Due March 23

Youth in grades 1-5 are invited to the 4-H Center to explore new ideas, put their designs to the test, and discover a new love for science. Each workshop track offers participants hands-on experiences that explore science concepts. All workshops are taught by volunteers with a passion for sharing their love for science with youth. **Registration is required an due by March 23.** Packet with online registration link: [Click here.](#)

Family Night

Rescheduled for March 23

Doors open at 5:30 pm

Great News! It's back on! More Great News! It is still free!

Please register via Google Form at <https://goo.gl/forms/PPer67Udmdph4TyQ2> (even if you registered before) by March 18 (so we know how much to cook). Questions can be sent to 4hfamilynight@gmail.com.
