Code of Conduct

New Jersey 4-H Code of Conduct

The primary purpose of the New Jersey 4-H Code of Conduct is to ensure the safety and well-being of all participants at 4-H sponsored events and activities. It applies to all participants, with participants defined as 4-H members, their parents/guardians, and volunteers.

As a participant in the 4-H program, I will:

PARTICIPATION PAGE-CLUBS

Review and edit the member's Clubs. Delete any clubs the member will no longer be participating in and add any new ones.

If the member belongs to more than one club, please note the club listed as *Primary*.

The 4-H leader for the primary club must confirm the member's participation before they can be approved by the county office

Click *Continue*.

PARTICIPATION PAGE-PROJECTS

Review and edit **Projects**.

First, select a club the member will participate in (from previous page).

Next, select the project related to the member's participation in that club. (In many cases there will only be one choice.)

If you know how many years the member has been in the project select from the drop down menu, and click *Add Project*.

If the member is in more than one club, repeat the process for each club.

When done, click *Submit Enrollment*.

Your County will receive notification of your enrollment.

The leader for your primary 4-H club will be able to confirm your participation. Once the club has *confirmed* the member, the county office will be able to *accept* their enrollment.

You will receive email notification when the County has reviewed and accepted the enrollment.
